## OUR MISSION

Our mission is to inspire passion for the art of dance, while developing self-esteem, self-expression, and self-motivation. With this commitment, we ensure our students become strong and confident dancers. We strive to have a fun and safe environment where teamwork, character and values are learned. Our goal is to develop beautiful performers, leaders in our community, but most importantly, memories and friendships to last a lifetime. Our instructors have been carefully chosen based on their commitment to our school's mission; including to positively motivate and challenge students at every level.

# Welcome

Good afternoon! Welcome to our eighth annual recital titled INSPRI-8-TION. This year our instructors had the freedom to draw inspiration through some of their favorite music apps. Exploring apps like Apple Music, Spotify, SXM, Pandora and SoundCloud with free range was so exciting! We hope you enjoy the songs that inspired us this season. Please turn off cell phones during the performance. Filming is prohibited! Cell phone screens are a distraction to the performers and obstruct other patron's view. Studio parents will receive a link via email to the recital video when editing is complete. If you need to exit the theater, please do so between routines. We hope you enjoy the show!

# Dedication

I would like to dedicate this year's performance to three very special people that touched my life. Always remembered, forever loved.

**Jonathan Scherr Shannon Keavy Vanessa Moeller**

# Thank You

## **To Our Performers:**

It's such a thrill to watch you perform for your family and friends! We are so proud of the hard work you have put in and the progress you have made. It's your time to rock the stage! Smile BIG and have a blast! We love you!

## **To Our Volunteers:**

It would be impossible to run a show without our wonderful parents, alumni dancers, families and friends that volunteer to help. We can't thank you enough for all you do to make this weekend spectacular for our dancers. We appreciate and love you! THANK YOU!

## **To Our Staff:**

Having such a close-knit group of ladies to work with that I consider family is such a blessing. I love each and every one of you and I cherish the bond we have. Thank you for sharing your love of dance with our students. Congratulations on another successful season! Love you ladies!

## **To My Family:**

I can't thank you enough for your endless love and support. This year has been a tough one for us, but it has taught us that the love of family will see you through the darkest times. Each day is a blessing with family by your side. I love you! Dylan- Thank you for being my person. I love you and I like you! Mooooch! Dad- This one's for you! I miss you and I love you!

## To Our Competition Team:

We are so proud of your accomplishments this season! It's a joy to watch you perform! Congratulations on another season full of high scores, special awards and top category placements. Looking forward to a new season full of fun! We love you! Work hard, stay humble!

## Graduates

Congratulations class of 2024! We wish you all the best as you move on to pursue your goals. I will miss our Monday theme nights, pizza parties, laughter and shenanigans. Make sure to come visit your dance family!

**Payton Dale** - I remember you as a little girl so vividly, soft spoken and sweet with the biggest smile! I could tell you loved music and could feel the rhythm in each song I played. As the years went on, I got to know your spunky silly side that cracked me up. Don't ever change! May your future be filled with adventure, success, laughter and some good beats! Best of luck, love you!

**Amelia Letts** - You are a girl of conviction, strong in your beliefs and opinions. You are fierce and loyal with a side of sassy! Combine those qualities with determination and drive and it will be a recipe for success! Stay focused on your goals and sneak in a nap when you can! Here's to a wonderful future ahead! Love you!

**Kelsey McAllister** - aka *The Scheduler* - It has been a pleasure to watch you grow into the young woman you are today. You are kindhearted, strong willed and funny as heck! Your future is bright, and I can't wait to see what you accomplish! Stay scheduled, stay focused! Remember, it's just a forward roll lol! Love you!
